## 1. Datasheet

<b>Solution data</b>	
Name	GraiTools MPCE interface
Result type	Tool
Description/functionality	-
Benefits to interoperability	-
Supported models/methodologies	-
Supported input interfaces	-
Supported output interfaces	-
Validation/demonstration	-
Standards compliance	-
Availability	-
License	-
Status	-
Requirements/dependencies	GraiTools
Web references	-
<b>ATHENA metadata</b>	
Contact person	-
Contributors	-
Provided by project/activity	-
Deliverables representing result	-
Contribution to key result	-
Used in pilot	-
Deliverable providing evaluation	-
