1. Datasheet

Solution data	
Name	MO ² GO IEM/MPCE interface
Result type	Tool
Description/functionality	No MPCE server connection but POP* interface
Benefits to interoperability	-
Supported models/methodologies	
Supported input interfaces	POP*/EKA
Supported output interfaces	POP*/EKA
Validation/demonstration	-
Standards compliance	-
Availability	-
License	-
Status	-
Requirements/dependencies	MO ² GO (Method for Object Oriented Business Process Optimization)
Web references	-
ATHENA metadata	
Contact person	Frank-Walter Jaekel, IPK
Contributors	-
Provided by project/activity	-
Deliverables representing result	-
Contribution to key result	-
Used in pilot	-
Deliverable providing evaluation	-
